THERE'S  
NOTHING  
LIKE  
KNOWING  
**YOUR  
BUSINESS IS  
WELL  
PROTECTED.**

Are your strategies for managing the school bus driver shortage putting you at risk?

Are you in full compliance with new federal Entry-Level Driver Training (ELDT) mandates?

Do you have proper safeguards in place for catastrophic insurance claims?

School bus operators are navigating more twists and turns than ever, but the right partners can ensure your business is truly prepared for whatever comes your way.

That's why NSM Insurance Brokers and The 42 Group provide a full range of insurance, risk management, compliance and regulatory consulting services that work together – providing the comprehensive protection school bus operators need...and deserve.
